The Eighth Story. Nineteen Years Later.

Based on an original new story by J.K. Rowling, John Tiffany and Jack Thorne, a new play by
Jack Thorne.

It was always difficult being Harry Potter and it isn't much easier now that he is an overworked
employee of the Ministry of Magic, a husband, and father of three school-age children.

While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus
must struggle with the weight of a family legacy he never wanted. As past and present fuse
ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from
unexpected places.
