A family story of blood and memory and the haunting power of the past. *Wounds* is a powerful memoir about Irish people who found themselves caught up in the revolution that followed the 1916 Rising, and in the pitiless violence of civil war in north Kerry after the British left in 1922.

Many thousands of people took part in the War of Independence and the Civil War that followed. Whatever side they chose, all were changed in some way by the costs of violence. Keane uses the experiences of his ancestral homeland in north Kerry to examine why people will kill for a cause and how the act of killing reverberates through the generations.
